

QMainWindow

```
classDiagram
    QYams --> QMainWindow
```

The diagram illustrates a class hierarchy where QYams inherits from QMainWindow. QMainWindow is represented by a white box with a thin black border at the top. QYams is represented by a gray box with a thick black border at the bottom. A solid blue arrow points from the top of the QYams box to the bottom of the QMainWindow box, indicating the direction of inheritance.

QYams
